In Memoriam

JONES- In loving memory of Father's Day of my husband and our father, Brady Jones, Sr., who passed away on November 25, 1974.

A heart of gold stopped beating.
Two shiney eyes at rest,
God broke our hearts to prove,
He only takes the best.
God knows you had to leave us,
But you didn't go alone,
For parts of us went with you
The day he took you home.
To some you are forgotten,
To others just part of the past.
But to us who loved and lost you,
Your memory will always last.
Loved and sadly missed,
Your wife and children.
6-17-1p

In loving memory of B.M. Ferguson and Alberta C. Ferguson on this Father's Day, gone but not forgotten.

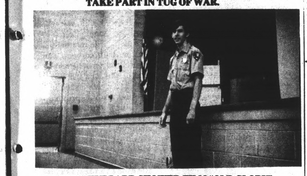
READY TO RAISE THE FLAG.

TAKE PART IN TUG OF WAR.



JOHN HUBBARD SHOWED FILM,"OLD GLORY".

America's Bicentennial Celebrated At APS

The Kindergarten and EMR Students at Appomattox Primary School celebrated America's Bicentennial Tuesday with a Happy Birthday America Day.

The day began with Mr. John Hubbard, Bicentennial Coordinator for the Appomattox Court House National Historical park, presenting an animated history of our flag..

Following a picnic lunch and rest time, the boys and girls enjoyed playing many old fashioned games such as horseshoes, tug of war, jump rope, sack races and square dancing. An old school bell was rung every few minutes signaling the children to move to another area of fun.

The students then gathered around the flag pole where they watched the flag being raised, pledged allegiance to the flag and then sang Happy Birthday to America.

After enjoying the many learning activities, 21 room mothers served all 250 students red, white and blue cup-cakes, which were arranged in the shape of the flag, red punch, popcorn and candy.

On-Farm Storage-Big Asset

"On-farm storage and drying equipment are big assets to my farming operation", states Samuel Martin of Rt.1, Appomattox.

Mr. Martin rents a number of farms in the southeastern part of Appomattox County and is growing about 500 acres of crops, which include 125 acres of wheat, 275 acres of corn, 50 acres of soybeans, 25 acres grain sorghum, and 10 acres of tobacco (fire, burley, and Maryland).

In May of 1972 Mr. Martin purchased his first round metal bin making use of the ASCS storage structure and drying equipment loan program. This facility, with 1000 bushel drying capacity was erected with expansion in mind to accomodate additional storage.

Since 1972 Mr. Martin has purchased two additional bins with a total drying capacity of 6400 bushels. He also bought a dryer which enables him to dry his grain so as to keep it safely stored until he wishes to market it.

Mr. Martin says,"I purchased two of my bins through the ASCS loan program. They are now an indispensable part of my farming operation. They are valuable in many ways, but to me the finest thing of all is the convenience. I can now harvest my grain, store it in the bins and not have to wait in a long line of trucks to sell. One year I lost part of a wheat crop waiting in line to sell the other part. With the bins and dryer available I can harvest, store, and wait for an opportune time to sell."
